**Subject:** Support for Regional Housing Entity concept

Hi there,

Community Legal Services in East Palo Alto (CLSEPA) is willing to support the concept paper developed for the Regional Housing Entity. We understand that we are not endorsing any specific legislation at this time; we'd need to see more details and legislative language before doing that. We are happy to express general support for the broad concept laid out in the 1-pager.

Let me know if you have any questions.
